Child Lures Prevention Training 2017- 2018

Dear Parents,

All of us are aware of the dangers that children are exposed to these days. Since December 2004, the Child Lures Prevention Program was mandated by Bishop Nicholas DiMarzio to be presented to all children who attend Catholic Elementary school or a Faith Formation program in the Diocese of Brooklyn and Queens.

Bishop Nicholas Di Marzio expects every parish to present the Child Lures Prevention program every year to every child enrolled in a Faith Formation program. Any parish that refuses to present the prevention video is of course liable for the United States Catholic Conference of Bishops audit, but our most important concern is the safety of our children.

Please sign and return the below compliance sheet to the director of religious education at the Co-Cathedral of St. Joseph.

Child Lures Prevention: Every Child. Every Year.
