THE CO-CATHEDRAL OF SAINT JOSEPH

April 28th, 2019 • Abril 28 de 2019

**FROM MONSIGNOR HARRINGTON'S DESK
DESDE EL ESCRITORIO DE MONSEÑOR HARRINGTON**

Happy Easter! - ¡Feliz Pascua! - Bonne Pâques!

he shows us the light of his face, and he does not abandon all those experiencing hardship, pain and sorrow. Before the many sufferings of our time, may the Lord of life not find us cold and indifferent. May he make us builders of bridges, not walls. May the Risen Christ, who flung open the doors of the tomb, open our hearts to the needs of the disadvantaged, the vulnerable, the poor, the unemployed, the marginalized, and all those who knock at our door in search of bread, refuge, and the recognition of their dignity. Christ is alive! He is hope and youth for each of us and for the entire world. May we let ourselves be renewed by him! Pope Francis.

Christ is alive! He is our hope, and in a wonderful way he brings youth to our world. Everything he touches becomes young, new, full of life. The resurrection of Christ is the principle of new life for every man and every woman, for true renewal always begins from the heart, from the conscience. Yet Easter is also the beginning of the new world, set free from the slavery of sin and death: the world open at last to the Kingdom of God, a Kingdom of love, peace and fraternity. Christ is alive and he remains with us. Risen,

«Vive Cristo, él es nuestra esperanza, y Él es la más hermosa juventud de este mundo. Todo lo que Él toca se vuelve joven, se hace nuevo, se llena de vida. La resurrección de Cristo es el comienzo de una nueva vida para todos los hombres y mujeres, porque la verdadera renovación comienza siempre desde el corazón, desde la conciencia. Pero la Pascua es también el comienzo de un mundo nuevo, liberado de la esclavitud del pecado y de la muerte: el mundo al fin se abrió

Happy Easter! - ¡Feliz Pascua! - Bonne Pâques!

al Reino de Dios, Reino de amor, de paz y de fraternidad. Cristo vive y se queda con nosotros. Muestra la luz de su rostro Resucitado y no abandona a los que se encuentran en el momento de la prueba, en el dolor y en el luto. Que, ante los numerosos sufrimientos de nuestro tiempo, el Señor de la vida no nos encuentre fríos e indiferentes. Que haga de nosotros constructores de puentes, no de muros. Que el Resucitado, que ha abierto de par en par las puertas del sepulcro, abra nuestros corazones a las necesidades de los menesterosos, los indefensos, los pobres, los desempleados, los marginados, los que llaman a nuestra puerta en busca de pan, de un refugio o del reconocimiento de su dignidad. ¡Cristo vive! Él es la esperanza y la juventud para cada uno de nosotros y para el mundo entero. Dejémonos renovar por Él. Papa Francisco.

Il vit, le Christ, notre espérance et la plus belle jeunesse de ce monde. Tout ce qu'il touche devient jeune, devient nouveau, se remplit de vie. La Résurrection du Christ est

le début d'une vie nouvelle pour chaque homme et chaque femme, parce que le vrai renouvellement part toujours du cœur, de la conscience. Mais Pâques est aussi le début du monde nouveau, libéré de l'esclavage du péché et de la mort : le monde finalement ouvert au Royaume de Dieu, Royaume d'amour, de paix et de fraternité. Le Christ vit et reste avec nous. Il montre la lumière de son visage de Ressuscité et n'abandonne pas ceux qui sont dans l'épreuve, dans la souffrance et dans le deuil. Que le Seigneur ressuscité ne nous trouve pas froids et indifférents. Qu'il fasse de nous des constructeurs de ponts et non pas de murs. Que le Ressuscité, qui a ouvert grand les portes du sépulcre, ouvre nos cœurs aux besoins des personnes défavorisées et sans défense, des pauvres, des sans emploi, des personnes marginalisées, de ceux qui frappent à notre porte à la recherche de pain, d'un refuge et de la reconnaissance de leur dignité. Le Christ vit! Il est espérance et jeunesse pour chacun d'entre nous et pour le monde entier. Laissons-nous renouveler par lui! PAPE FRANÇOIS

"Old age is one more stage of life, and as such, it should be enjoyed. It is the moment in which we can finally devote to pleasing ourselves, we have free time and there are no longer so many responsibilities. We must reach this third age with this premise in mind. Be aware that this is the stage in our life cycle in which we have more opportunities to enjoy since we have all day available to make our own agenda." Ines Viñas, 2018

"La vejez es una etapa más de la vida, y como tal, se debe disfrutar. Es el momento en el que podemos finalmente dedicarnos a complacernos, tenemos tiempo libre y ya no hay tantas responsabilidades. Con esa premisa debemos llegar a la tercera edad. Bishop Robert Barron sets sights on America's secular culture
"We're falling in love with self-invention"

I would say it's the ideology of self-invention is the greatest danger American society is facing today. What I mean by that is, this goes back to Nietzsche in the 19th century and comes up to Sartre in the 20th century, Michel Foucault, people like that. It was once a very high academic thing, but now I think it's in almost every teenager in America: the view that truth is a function of my will, value is a function of my will. I decide on my own what's true and what's good. You see that now in a thousand different forms in our culture. Not only is this deeply out of touch with reality, but it makes religion almost opaque to people, because the claim that there's a truth and a value that's outside of you, to which your mind will have to conform, that's very difficult for people today. The joyful life comes from a surrender to the great transcendent truths and values that summon the mind and summon the will. When one surrenders to those and then finds the right path, that's what religion is all about. It's all about the discovery of great objective value and truth.

But the greatest opportunity we have today that we might not even be recognizing it's closely related to what I just said. The greatest opportunity is people's unhappiness. The world that's being created by ideological secularism and by the culture of self-invention is a deeply unhappy world. Watch it especially among young people: the deep unhappiness that's obtaining because they've bought into this secularist ideology, and that unhappiness awakens the hungry heart. And the hungry heart is the friend of religion. That's the Augustinian intuition: that is, if you follow your hungry heart all the way it'll lead you to God, because that's what the heart is hungry for. Interviewed by John Burger | Aleteia, 2018

Programa de Parejas

If we want a strong marriage, we need to share time and activities together, acknowledge our strengths and weaknesses with humility, communicate our needs, reinforce our common ground, and contribute to the relationship. Whether playing with the children, working around the house, or in conversation about difficulties in our lives, sticking to these principles can turn these moments into experiences that bond us more deeply and nourish our marriage. Cecilia Zinicola and Matthew Green, Aleteia.

Si queremos un matrimonio fuerte, debemos compartir tiempo y actividades juntos, reconocer nuestras fortalezas y debilidades con humildad, comunicar nuestras necesidades, reforzar nuestra realidad común y contribuir a la relación. Ya sea jugar con los niños, trabajar en la casa o conversar sobre las dificultades en nuestras vidas, apegarnos a estos principios puede convertir estos momentos en experiencias que nos vinculen más profundamente y nutran nuestro matrimonio. Cecilia Zinicola y Matthew Green, Aleteia.

DIVINE MERCY SUNDAY DOMINGO DE LA DIVINA MISERICORDIA DIMANCHE DE LA MISÉRICORDE

"I will not believe unless I see." This "seeing" is what others demand of us. They ask that we reflect Jesus, the Risen Lord, in our lives by our selfless love, unconditional forgiveness and humble service. We should be able to appreciate the presence of Jesus, crucified and raised, in our own suffering and in our suffering brothers and sisters, thus recognizing the glorified wounds of the Risen Lord in the suffering of others. Fr. Antony Kadavil, Vatican News, 2019.

"No creeré a menos que vea". Este "ver" es lo que otros exigen de nosotros. Piden que reflejemos a Jesús, el Señor resucitado, en nuestras vidas por nuestro amor desinteresado, perdón incondicional y servicio humilde. Deberíamos poder apreciar la presencia de Jesús, crucificado y resucitado, reconociendo así las heridas glorificadas del Señor resucitado en el sufrimiento de los demás. Fr. Antony Kadavil, Vatican News, 2019.

"Je ne croirai pas à moins de voir." Ce "voir" est ce que les autres exigent de nous. Ils demandent que

nous reflétons Jésus, le Seigneur ressuscité, dans nos vies par notre amour désintéressé, notre pardon inconditionnel et notre service humble. Nous devrions pouvoir apprécier la présence de Jésus crucifié et élevé dans nos souffrances et dans celle de nos frères et sœurs souffrant, reconnaissant ainsi les plaies glorifiées du Seigneur ressuscité dans la souffrance des autres. Fr. Antony Kadavil, Vatican News, 2019.
