# THE CO-CATHEDRAL OF SAINT JOSEPH

May 12th, 2019 • Mayo 12 de 2019

## FROM MONSIGNOR HARRINGTON'S DESK DESDE EL ESCRITORIO DE MONSEÑOR HARRINGTON

The Church sees in Mary the highest expression of the “feminine genius” and she finds in her a source of constant inspiration. Mary called herself the “handmaid of the Lord” (Lk 1:38). Through obedience to the Word of God she accepted her lofty yet not easy vocation as wife and mother in the family of Nazareth. Putting herself at God’s service, she also put herself at the service of others: a service of love. Precisely through this service Mary was able to experience in her life a mysterious, but authentic “reign”. The entire community of believers call upon her as their “Queen”. For her, “to reign” is to serve! Her service is “to reign”! In the same way, all of you who are mothers have a service of love. And that service makes you “queens” of your families. In the light of Mary, we see in your service of love the reflection of a beauty which mirrors the loftiest sentiments of which the human heart is capable: the self-offering totality of love; the strength that is capable of bearing the greatest sorrows; limitless fidelity and tireless devotion to work; the ability to combine penetrating intuition with words of support and encouragement. Saint John Paul II.

For this reason we celebrate Mother’s Day!

Madonna of The Grapes by Pierre Mignard

La Iglesia ve en María la máxima expresión del « genio femenino » y encuentra en Ella una fuente de continua inspiración. María se ha autodefinido « esclava del Señor » (Lc 1, 38). Por su obediencia a la Palabra de Dios Ella ha acogido su vocación privilegiada, nada fácil, de esposa y de madre en la familia de Nazaret. Poniéndose al servicio de Dios, ha estado también al servicio de los hombres: un servicio de amor. Precisamente este servicio

**FROM MONSIGNOR HARRINGTON'S DESK  
DESDE EL ESCRITORIO DE MONSEÑOR HARRINGTON**

le ha permitido realizar en su vida la experiencia de un misterioso, pero auténtico « reinar ». No es por casualidad que la comunidad de los creyentes la invoca como « Reina » Para ella ¡Su « reinar » es servir! ¡Su servir es « reinar »! De la misma manera, todas ustedes que son madres tienen un servicio de amor. Y ese servicio las convierte en « reinas » de sus familias. A la luz de María, vemos en su servicio de amor el reflejo de una belleza que refleja los sentimientos más elevados de los que es capaz el corazón humano: la totalidad de auto-ofrenda de amor; la fuerza que es capaz de soportar las mayores tristezas; fidelidad ilimitada y devoción incansable al trabajo. la capacidad de combinar la intuición penetrante con palabras de apoyo y aliento. San Juan Pablo II.

Por esta razón celebramos celebramos hoy el Día de las Madres!

L'Église voit en Marie la plus haute expression du « génie féminin » et trouve en elle une source d'inspiration constante. Marie s'est définie elle-même « servante du Seigneur » (Lc 1,

38). C'est par obéissance à la Parole de Dieu qu'elle a accueilli sa vocation privilégiée, mais pas du tout facile, d'épouse et de mère de la famille de Nazareth. En se mettant au service de Dieu, elle s'est mise aussi au service des hommes: service d'amour. C'est ce service qui lui a permis de réaliser dans sa vie l'expérience d'une mystérieuse mais authentique « royauté ». Toute la communauté des croyants l'invoquent comme « Reine ». Sa « royauté » est un service! Son service est une « royauté »! De la même manière, vous toutes, mères, avez un service d'amour. Et ce service les rend « reines » de leurs familles. À la lumière de Marie, nous voyons dans votre service d'amour le reflet d'une beauté qui reflète les plus hauts sentiments dont le cœur humain est capable: la totalité de l'amour qui s'auto-offre; la force capable de supporter les plus grandes douleurs; une fidélité sans limite et un dévouement inlassable au travail; la capacité de combiner une intuition pénétrante avec des mots de soutien et d'encouragement. Saint Jean Paul II. Pour cette raison, nous célébrons aujourd'hui, la fête des mères!

## THE CHURCH IS THE REAL YOUTH OF THE WORLD

Youth is more than simply a period of time; it is a state of mind. That is why an institution as ancient as the Church can experience renewal and a return to youth at different points in her age-old history. Indeed, at the most dramatic moments of her history, she feels called to return with all her heart to her first love. The Church is the Real Youth of the World; in her, it is always possible to encounter Christ “the companion and friend of youth.” Let us ask the Lord to free the Church from those who would make her grow old, encase her in the past, hold her back or keep her at a standstill. But let us also ask him to free her from another temptation: that of thinking she is young because she accepts everything the world offers her, thinking that she is renewed because she sets her message aside and acts like everybody else. No! The Church is young when she is herself, when she receives ever anew the strength born of God’s word, the Eucharist, and the daily presence of Christ and the power of his Spirit in our lives. The Church is young when she shows herself capable of constantly returning to her source. From *Christus Vivit*, Pope Francis 2019, No 34-35.

## Couple’s Program Programa de Parejas

“To be a mother is a great treasure. Mothers, in their unconditional and sacrificial love for their children, are the antidote to individualism; they are the greatest enemies against war. Not even the Christian community values them properly, despite the eminent example of the Mother of Jesus...[A mother’s sensitivity] to all that threatens human life and welfare is a source of enrichment for society and the Church. It is they who often give the first roots of the faith, without them not only would the faithful be lost, but also a good part of the deepest fire of our faith.” Pope Francis.

Ni siquiera la comunidad cristiana las valora adecuadamente, a pesar del eminente ejemplo de la Madre de Jesús. ...[La sensibilidad de una madre] hacia todo lo que amenaza la vida y el bienestar es una fuente de enriquecimiento para la sociedad y la Iglesia. Son ellas quienes a menudo dan las primeras raíces de la fe, sin ellas no solo se perderían los fieles, sino también una buena parte del fuego más profundo de nuestra fe.” Papa Francisco.
