

THE CO-CATHEDRAL OF SAINT JOSEPH

June 16th, 2019

FROM MONSIGNOR HARRINGTON'S DESK DESDE EL ESCRITORIO DE MONSEÑOR HARRINGTON

FATHER'S DAY DÍA DEL PADRE FÊTE DES PÈRES

This Sunday we celebrate Father's Day. One of the great tragedies of contemporary American Society is that many young people are fatherless. A father is more than simply the male parent to a child. Beyond the stereotypes of primary wage earner or protector, a father reveals something to us about God not simply about masculinity but about being in relationship as a man. Saint Joseph was the gift of just such a relationship from God the Father to Jesus. Joseph was humbled and found the task daunting. Despite his fear, it was from Joseph that Jesus learned how to be a man for others. That is why Saint Joseph is the model Father and the pattern of how all men ought to relate to their children.

Saint Joseph and the Christ child by Efrén Ordóñez Villalobos

Este domingo celebramos el día del padre. Una de las grandes tragedias de la sociedad estadounidense contemporánea es que muchos jóvenes no tienen padre. Un padre es más que simplemente el acudiente masculino de un niño. Más allá de los estereotipos de ser los ganadores

del mejor y principal salario o de ser los protectores, un padre nos revela algo acerca de Dios, no solo sobre la masculinidad, sino sobre la relación como hombre. San José fue el regalo de tal relación de Dios Padre a Jesús.

**FROM MONSIGNOR HARRINGTON'S DESK
DESDE EL ESCRITORIO DE MONSEÑOR HARRINGTON**

José fue humillado y encontró su tarea desalentadora. A pesar de su temor, fue de José que Jesús aprendió a ser un hombre para los demás. Es por eso que San José es el Padre modelo y el patrón de cómo todos los hombres deben relacionarse con sus hijos.

Ce dimanche, nous célébrons la fête des pères. L'une des grandes tragédies de la société américaine contemporaine est que beaucoup de jeunes n'ont pas de père. Un père est plus que le parent masculin d'un enfant. Au-delà des stéréotypes d'être les gagnants du

meilleur et principal salaire ou d'être les protecteurs, un père nous révèle quelque chose à propos de Dieu, pas seulement à propos de la masculinité, mais à propos d'être en relation en tant qu'homme. Saint Joseph était le cadeau d'une telle relation de Dieu le Père à Jésus. Joseph était humilié et trouvait la tâche ardue. En dépit de sa peur, c'est de Joseph que Jésus a appris à être un homme pour les autres. C'est pourquoi Saint Joseph est le père modèle et le modèle de relation que tous les hommes devraient avoir avec leurs enfants.

Our children need to grow up knowing the rules and boundaries they are expected to observe. They need to know if they are not allowed to play with their tablet for four hours in a row, or to eat in front of the television. They need to know how much freedom they have and what their role is in the family. Starting as soon as they are able, they need to have chores and responsibilities in the home proportionate to their age, such as cleaning up their room or setting the table. Boundaries and rules are important for their development and for getting along as a family. Javier Fiz Pérez, Aleteia 2019.

Necesitan saber que no se les permite jugar con su tableta durante cuatro horas seguidas o comer frente la televisión. Necesitan saber cuánta libertad tienen y cuál es su rol en la familia. Comenzando tan pronto como puedan, necesitan tener quehaceres y responsabilidades en el hogar en proporción a su edad, cómo limpiar su habitación o poner la mesa. - June 22 Young at Heart outing to the Cloisters and 2nd Anniversary Celebration.

Last Saturday, June 8th, the Young Adults trekked all the way to the northern tip of Manhattan for an inspiring sojourn to The Cloisters. It was a day of wonder, as the group explored the outdoor

gardens and covered walkways, appreciated artistic masterpieces from the medieval era, and learned about the history of our faith from those who dedicated their talents to preserving its history. Following the museum, Mother Maria treated the group to a rather delicious picnic before they embarked on a guided prayer walk throughout the natural splendor of Fort Tryon Park. They read Canticum of the Creatures by St. Francis under a stone archway, meditated upon quotes concerning creation in the Heather Garden, then prayed for other young adults in the Linden Terrace. The entire trip was said to have a “rejuvenating effect from the combination of worship and nature” and certainly won’t be forgotten by those who went anytime soon!

Couple’s Program Programa de Parejas

“St. John Paul II was a lover of human love. He delighted in families... So many of our own generation are abandoning marriage, period. Couples today merely live together as [a] “safe” alternative to a whole-hearted, marital commitment... Holiness is not meant solely for priests and religious, but we in the married vocation absolutely have a call to bring Christ to the world.” Interview with Bobby Angel, Faith & Culture, Journal of the Augustine Institute.

“San Juan Pablo II fue un amante del amor humano. Se deleitaba en las familias ... Muchos de nuestra generación están abandonando el matrimonio, punto. Las parejas de hoy simplemente viven juntas como una alternativa “segura” a un compromiso matrimonial de todo corazón ... [Pero] La santidad no es solo para sacerdotes y religiosos, sino para nosotros también, En la vocación de casados, tenemos absolutamente la necesidad de llevar a Cristo al mundo ”. Entrevista con Bobby Angel, Faith & Culture, Diario del Instituto Agustín.

“Saint Jean-Paul II était un amoureux de l’amour humain. Il a ravi dans les familles. Tant de gens de notre génération abandonnent le mariage, un point c’est tout. Aujourd’hui, les couples vivent simplement ensemble, ce qui constitue une alternative “sûre” à un engagement conjugal sincère. La sainteté ne s’adresse pas uniquement aux prêtres et aux religieux, mais nous, dans la vocation mariée, avons absolument un appel à porter le Christ au monde”. Entretien avec Bobby Angel, Faith & Culture, Journal de l’Institut Augustine.
